Vbloku is an idea for an unconventional place to live. Vbloku is a vision of a home that allows you to live comfortably, stylishly and independently in a popular residential neighbourhood. One- or two-room housing with kitchenettes offer you a high standard of living and an emphasis on a modern interior design. As a resident you will have the opportunity to use all of the shared spaces – fitness, laundry and recreation rooms and a central garden. Whether you invite your neighbours for a barbecue or head to the centre to go shopping, everything is within easy reach. Vbloku is definitely not average or boring.
